SIR

Subject — The acquisition of certain properties
for the formation of Muslim Block at Mandya

I have the honour to forward herewith a copy of letter No LAC 3 to 6/41-42 dated 27th July 1941 from the Sub-Division Officer requesting for an additional grant of Rs 1000/- towards the cost of acquisition of lands acquired for the formation of the Muslim Block at Mandya and to state as follows

The Government in their order No L 7874-7/41 81-39-84 dated 15th March 1940 sanctioned among other things the acquisition of lands comprised in S No 182 198 and 199 behind the Railway line in Mandya Town at the cost of Government and allotted a sum of Rs 1000/- out of the Town Improvement grants for the year 40-41 for this purpose. The area originally proposed for acquisition being found insufficient for the purpose an additional grant of Rs 100/- being the estimated cost of 2 guntas of land in S No 83 was also sanctioned by Government in their order No L 2217-20/1 17-10-10 dated 16th September 1940. Sanction for the acquisition of the properties was also accorded by Government in the above order.

The land acquisition cases in question are now pending for orders and the Sub-Division Officer reports that the provision of Rs 1100/- is inadequate for the acquisition of the area of 8 acres 23 guntas and has requested for the sanction of an additional grant of Rs 1000/-

The President, Town Municipal Council Mandya who

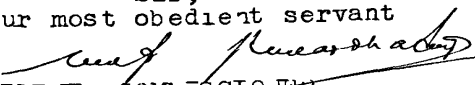

was requested to obtain the views of the Municipal Council re payment of the additional sum of Rs 1000/- required for the purpose has reported with a resolution of the Municipal Council, that the Council with its heavy commitments already settled on its current year's budget cannot provide this additional sum of 1000/- and that the same must be obtained as an additional grant from the Government

The acquisition proceedings in this case appear to have been initiated as per the instructions of the Dewar and the Revenue Commissioner but while estimating the cost of acquisition, the value of the lands appears to have been fixed at a very low rate with the result that only a grant of Rs 1100/- has been obtained against a sum of Rs 2100/- required for the purpose

It would be seen from the order sanctioning the scheme that the cost of acquisition in question has to be met by Government, and the responsibility of the Municipal Council is limited to the extent of providing roads water and lighting facilities to this extension. It appears therefore necessary that the balance of the cost of acquisition has to be met out of the Town Improvement grants

As per the estimate of the Sub-Division Officer an additional sum of Rs 1000/- would be required to meet the entire cost of all the lands sanctioned by the Government for acquisition. As the disposal of the cases has been held up for want of funds I request that sanction of Government may kindly be obtained for a grant of an additional sum of Rs 1000/- out of Town Improvement grants for the current year.

I have the honour to be

Your most obedient servant
